Controller for CCT Strip Light ALD814

IMPORTANT!

Please read these instructions carefully before use

This controller is designed only for use with ALD814 CCT strip light.

Minimum and maximum recommended length of strip light to be used with controller is 3m and 20m respectively.

Wattage per metre for ALD814 is 1.5W.

*1.5W/m calculated as an average, power draw may be higher for short lengths.

Controller to be used indoors only.

WARNING / CAUTION:

1. Keep out of reach of children and pets.
2. Ensure controller is installed in an indoor environment.
3. Use only the recommended driver ALD852 or a 24V driver with sufficient rating. Failure to do so may cause damage to the product.
4. To clean the controller, turn off power and use a clean damp cloth. Wait a few minutes after disconnecting to allow time to cool. Do not use abrasive cleaners.
5. Do not bend or twist the input wires and output connector wires.

1. Take out the controller from the packaging.
2. Connect the input wires of the controller to the driver output terminals based on the polarity markings. Red wire must be connected to positive and black wire must be connected to negative terminal (Refer Fig.1)

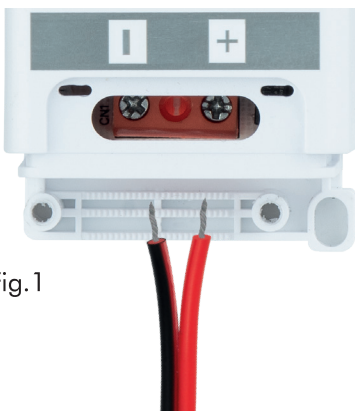

Fig.1

3. Connect the strip light ALD814 to the output connector of the controller as shown in the Figure (Refer Fig.2). The terminals and colours of the wire must match, with the black wire aligned to the positive terminal.

Warranty

Arlec guarantees this product in accordance with the Australian Consumer Law and all other applicable Australian and New Zealand laws that are unable to be excluded.

Arlec also warrants to the original first purchaser of this product ("you") from a retailer with which this document is given that this product will be free of defects in materials and workmanship for a period of 12 months from the date of purchase; provided the product is not used other than for the purpose, or in a manner not within the scope of the recommendations and limitations, specified by Arlec, is new and not damaged at the time of purchase, has been maintained in accordance with the recommendations specified by Arlec, has not been subjected to abuse, misuse, neglect or damage, has not been modified or repaired without the approval of Arlec and has not been used for commercial purposes ("Warranty").

If you wish to claim on the Warranty, you must, at your own expense, return the product, and provide proof of original purchase and your name, address and telephone number, to Arlec at the address below or the retailer from whom you originally purchased the product within 12 months from the date of purchase. Arlec will (or authorise the retailer to) assess any claim you may make on the Warranty in the above manner and if, in Arlec's reasonable opinion, the Warranty applies, Arlec will at its own option and expense (or authorise the retailer to) replace the product with the same or similar product or repair the product and return it to you or refund the price you paid for the product. Arlec will bear its own expenses of doing those things, and you must bear any other expenses of claiming on the Warranty.

For goods purchased in Australia (only):

The Warranty is in addition to other rights and remedies you may have under a law in relation to the product to which the Warranty relates.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

For goods purchased in New Zealand (only):

The Warranty is in addition to, and does not affect, other rights and remedies you may have under a law in relation to the product to which the Warranty relates.

Our goods come with guarantees that can only be excluded under the New Zealand Consumer Guarantees Act 1993 to the extent you are acquiring the product for a business purpose and it would be fair and reasonable for Arlec to contract out of those guarantees.
